Reasons for Recommendation:

- To comply with Council Procedure Rules 23 and 29 of the Constitution in respect of the appointment of committees and election of chairmen and vice-chairmen

\* The Guildford Local Committee is one of eleven established by Surrey County Council in 2002 to bring its decision-making and its services closer to the communities it serves. They discuss issues such as education, social care, young people, highways and transport. The Committee comprises ten Surrey County Councillors, representing each of the county electoral divisions within Guildford borough, and ten co-opted borough councillors. Co-opted councillors must complete and maintain a separate (Surrey County Council) register of interests. Appointed councillors will be contacted separately about this and will be asked to complete and return the relevant paperwork.
