THE COUNCIL'S STRATEGIC FRAMEWORK

Vision – for the borough

For Guildford to be a town and rural borough that is the most desirable place to live, work and visit in South East England. A centre for education, healthcare, innovative cutting-edge businesses, high quality retail and wellbeing. A county town set in a vibrant rural environment, which balances the needs of urban and rural communities alike. Known for our outstanding urban planning and design, and with infrastructure that will properly cope with our needs.

Three fundamental themes and nine strategic priorities that support our vision:

- | | |
|---------------------|--|
| Place-making | Delivering the Guildford Borough Local Plan and providing the range of housing that people need, particularly affordable homes |
| | Making travel in Guildford and across the borough easier |
| | Regenerating and improving Guildford town centre and other urban areas |
| Community | Supporting older, more vulnerable and less advantaged people in our community |
| | Protecting our environment |
| | Enhancing sporting, cultural, community, and recreational facilities |
| Innovation | Encouraging sustainable and proportionate economic growth to help provide the prosperity and employment that people need |
| | Creating smart places infrastructure across Guildford |
| | Using innovation, technology and new ways of working to improve value for money and efficiency in Council services |

Values for our residents

- We will strive to be the best Council.
- We will deliver quality and value for money services.
- We will help the vulnerable members of our community.
- We will be open and accountable.
- We will deliver improvements and enable change across the borough.

Some of the ideas and proposals placed before this Executive Advisory Board may be at the very earliest stage of consideration by the democratic decision-making processes of the Council and should not be considered, or commented on, as if they already represent either Council policy or its firm intentions on the issue under discussion.

The Executive Advisory Boards do not have any substantive decision-making powers and, as the name suggests, their purpose is to advise the Executive. The subject matter of the items on this agenda, therefore, is for discussion only at this stage and any recommendations are subject to further consideration or approval by the Executive, and are not necessarily in final form.”
