THE COUNCIL'S STRATEGIC FRAMEWORK

Vision – for the borough

For Guildford to be a town and rural borough that is the most desirable place to live, work and visit in South East England. A centre for education, healthcare, innovative cutting-edge businesses, high quality retail and wellbeing. A county town set in a vibrant rural environment, which balances the needs of urban and rural communities alike. Known for our outstanding urban planning and design, and with infrastructure that will properly cope with our needs.

Three fundamental themes and nine strategic priorities that support our vision:

Place-making	Delivering the Guildford Borough Local Plan and providing the range of housing that people need, particularly affordable homes
	Making travel in Guildford and across the borough easier
	Regenerating and improving Guildford town centre and other urban areas
Community	Supporting older, more vulnerable and less advantaged people in our community
	Protecting our environment
	Enhancing sporting, cultural, community, and recreational facilities
Innovation	Encouraging sustainable and proportionate economic growth to help provide the prosperity and employment that people need
	Creating smart places infrastructure across Guildford
	Using innovation, technology and new ways of working to improve value for money and efficiency in Council services

Values for our residents

- We will strive to be the best Council.
- We will deliver quality and value for money services.
- We will help the vulnerable members of our community.
- We will be open and accountable.
- We will deliver improvements and enable change across the borough.

The Executive Advisory Boards do not have any substantive decision-making powers and, as the name suggests, their purpose is to advise the Executive. The subject matter of the items on this agenda, therefore, is for discussion only at this stage and any recommendations are subject to further consideration or approval by the Executive, and are not necessarily in final form.
