EX59 O&S Recommendations to the Executive - Modern Slavery

The Overview and Scrutiny Committee (O&S) made recommendations to the Executive from time to time as it saw fit and the Executive was required to consider any such recommendations within a two-month period. Set out in the paper were recommendations arising from the O&S meeting held on 19 December 2023. The recommendations related to the council's obligations towards tackling modern slavery. The council was required to monitor its own performance in this regard via an annual report which was received by O&S. The Executive was asked to agree to progress certain actions within sections 7.5-7.8 of the Annual Report on the Modern Slavery Motion which specifically related to the council's procurement processes and these were set out in the paper along with suggested responses.

The Leader of the Council introduced the paper and welcomed the Chairman of the O&S, Councillor James Walsh, who was in attendance online. Cllr Walsh commended officers and the quality of the annual monitoring reports that had been received by O&S since Council's adoption of the Modern Slavery Motion in 2018.

The Executive echoed the comments from Cllr Walsh. The recommendations were welcomed and described as sensible and would provide positive additions

to the council's robust approach to tackling Modern Slavery. It was noted that the council's adopted standards in this regard extended externally via the procurement process to partners and service providers and so ensured the safeguarding of residents across the council's activities.

The Executive expressed its gratitude to the O&S for bringing the recommendations and its commitment to a positive working relationship between the two bodies. Consequently, the Executive,

RESOLVED:

That the proposed responses and the reasons for those responses, as set out in the table at item 5, be approved.

Reason(s):

Modern slavery was a serious crime that violated human rights. The Council as a public body had a duty to ensure that it was not complicit in modern slavery practice by utilising contractors who were breaching the Act. Implementation of the recommendations would make the council's processes more effective in that regard.

EX60 Freehold Disposal of Old Manor House, East Horsley

Old Manor House comprised a large, detached Grade II Listed building providing eight residential flats that were previously leased to persons of state pensionable age. The building had been unoccupied for some time and required complete refurbishment and modernisation, including fabric replacement and renewal. The capital cost to refurbish the property to bring it into occupational use for housing was significant and was further exacerbated by the necessary reconfiguration of the existing internal layout and the energy performance upgrades required.

The Lead Councillor for Finance and Property introduced the item. The asset was held in the General Fund. Occupation of the property was not possible in its current condition. In view of the budgetary impact to the council, Housing Services had determined it was not suitable for development and surplus to support their service. With all alternative options for property explored, it was recommended the Executive agree to a freehold disposal of the property on the open market.

It was confirmed that access to Lovelace Cottages would have to be safeguarded by any future owner of Old Manor House.

The Executive noted that despite its commitment to providing housing for local people, the extent of the dilapidation of the property and the necessary reconfiguration to bring it back to use would not be the best use of council resources. It was explained there were significant damp issues, rewiring was needed and the internal reconfiguration for a listed building would be complex and costly. It was suggested that given the building’s protected status, disposal to a new owner to bring the building back into habitational use would be the best option for the community and for the building itself as a local heritage asset.

The Executive heard that to delay a decision in regard to the future of the building would result in a greater decline of its condition and increased future costs, therefore, it was

RESOLVED:

That the Executive Head for Assets and Property be authorised to auction sale the property or negotiate terms for a disposal at best consideration on the open market via private treaty, and to enter into all relevant legal documentation required to complete the transaction of the Council owned land comprising Old Manor House in return for a capital receipt.

Reason(s):

To generate a capital receipt and remove void property costs from future revenue budgets.
