**Subject:** Proposed variation to the BP garage premises licence [RES]

Kindly note that I object in the strongest possible terms to this variation

It contravenes the basic tenets of any Licensing application and especially is likely to increase noise, disturbance to residents ,particularly at anti social hours, and drunkenness.

I trust this is clear

Licence application GUPLA0114  
B.P. garage 213 Epsom Road, Merrow

Dear m/s Fuller,

I object to the application for the 24 hour sale of alcohol at these premises. I believe it will encourage customers to purchase alcohol once the pubs have closed and potentially cause noise, disturbance and drunkenness in the nearby residential area.

yours sincerely,  
Jennifer Jordan

Good Morning

I understand that there is an application to extend the licensing hours for the above premises from 11pm to 5am, whereas it currently ends at 11pm.

My concern for the neighbourhood of Merrow Village is the possibility that antisocial behaviour may be encouraged by the all night sale of alcohol and food. I don't see why there is any need to sell any refreshments to the public beyond 11pm. This is not the town centre where people tend to congregate late at night and the police are active.

Kind regards  
Denise Hilton

Dear Mark,

I am concerned by the proposal of selling hot food and alcohol between 11pm and 5am at the M&S at the BP garage in Merrow. My children's home is just down the road and I also live near the garage. There are already issues of young people congregating near the garage (in and around the car park of the Methodist Church). I feel the availability of the hot food more than the alcohol will allow the young people to be out later and add to the anti-social behaviour shown by some of these young people.

I do struggle to understand why there has to be a provision to buy alcohol after 11pm? This really is not in line with guidelines that the Government and NHS are promoting which is to eat less and drink less nor will it help with the reduction of anti-social behaviour in Guildford / Merrow. If the store is open late it will encourage people to come from other areas in Guildford to come to Merrow late at night and cause increased traffic to the area.

Kind Regards

Dear Mr. Adams

I strongly object to the above application on the grounds that these premises could easily become a focal point for anti social behaviour. Merrow BP / M&S is situated in a quiet residential area with neighbours living in close proximity who could be seriously disturbed by nightly use of this facility. Please could you tell me what category of customer is being targeted . The government is campaigning to reduce alcohol consumption. Why, therefore, would permission be given to this application intended to assist or extend the sale of alcohol. It is really disconcerting to think that the council might agree to and M&S be associated with this project.

Kind Regards

Shirley Smith

**Subject:** M&S licensing proposal

**Follow Up Flag:** Follow up  
**Flag Status:** Flagged

Dear Mark,

As a resident of Merrow for the past 15 years and with 2 young teenage children, I would like to lodge my objection to the proposal that the local M & S, located within the BP garage on Epsom Road, Guildford, sell alcohol between the hours of 11pm- 5am.

Merrow is a family community, which is already impacted by many of the local youths congregating in certain areas and drinking alcohol - you only have to take a stroll around the area to see the discarded cans and bottles. To have a venue that will sell alcohol after hours, will, I believe only increase this problem. Whether M&S follow strict ID guidelines or not, I know for a fact that there will be ways for these youths to purchase said alcohol.

As well as the local youths congregating, I also believe that this all night license will encourage youths from other areas to travel to the community, thereby exacerbating the situation.

Having worked with adolescents for the past 17 years and witnessed the ease with which they are able to purchase alcohol, as well as the problems this ultimately brings, I am very strongly against having this license agreed.

Kind Regards

Wendy Taylor
