<i>the methods applied and significant assumptions</i>	For assets occupied and used in the delivery of services the basis of valuation is current value in existing use (EUV). Investment property is valued to fair value and equates to the market value of the legal interest held. Non-specialist assets where there is market-based evidence to support the use of EUV to arrive at the current value the comparative method of valuation has been adopted. For those properties where there is no market-based evidence to support the use of EUV to arrive at current value , the Depreciated Replacement Cost (DRC) approach has been used.

Description of item including its legal nature. Please describe any security provided in connection to the liability.	Estimate of financial effect
<p>2016-17 saw the commencement of the Woodbridge Road Sportsground pavilion redevelopment. The estimated project cost being £1,640,000 (July 2016). The costs are to be met from:</p> <ul style="list-style-type: none"> • Secured contributions from Guildford Borough Council of £496,000 and £269,000 • Committed grant funding from Surrey County Cricket Club of £250,000 (future shared occupant of pavilion) • Committed grant funding from Guildford Cricket Club of £50,000 (current occupants of the pavilion) • Future capital receipt from the sale of vacant residential property on the site of £575,000. 	<p>The funding totalling £765,000 from Guildford Borough Council has been approved by its Executive Committee. Costs on the project to date have been met from this funding. The £250,000 grant from Surrey County Cricket Club has been approved by their board and it is considered very unlikely that this funding will be withdrawn. The £50,000 grant from Guildford Cricket Club has been approved by the sport's governing body and it is also considered very unlikely that this funding will be withdrawn. Both grants will be payable to the charity once the lease to occupy the pavilion by the clubs has been granted (expected to take place in 2018-19). The future capital receipt from the disposal of the groundman's cottage is dependent on the Charity Commission's approval of the disposal and the estimated value of £575,000 being achieved.</p> <p>At the time of producing these accounts, the estimated project cost had risen by 15-20%. Discussions are taking place with all parties concerned to identify measures to address the increase in the estimated cost.</p>

Note 29**Additional Disclosures**

The following are significant matters which are not covered in other notes and need to be included to provide a proper understanding of the accounts. If there is insufficient room here, please add a separate sheet.

During 2016-17 a proposal was developed between Guildford Borough Council (Sole Trustee), Surrey County Cricket Club, and Guildford Cricket Club to establish a tripartite management company to be responsible for the overall management of the sports ground and to ensure the delivery of the charity's objectives. At the time of production of these accounts, the management company had not been established, as this was to happen once the pavilion was completed. Note 23 details the contributions committed by all parties in respect of the redevelopment of the pavilion.
