

Dear Mike,

On behalf of the High Street traders, I must object to the application for street trading consent from Family Favourites.

It is unfair to obscure the frontage of 2 High Street stores, both of whom pay high rents and rates to operate their business from Guildford's High Street. Also, there is ample provision for stalls at the monthly Farmers' Market and weekly North Street Market.

Please let me know if you wish to discuss further

Thank you
Amanda

Dear Mike

On behalf of the High Street traders, I must object to the application for street trading consent from Family Favourites, this time to sell pancakes.

It is unfair to obscure the frontage of 2 High Street stores, both of whom pay high rents and rates to operate their business from Guildford's High Street. Also, there is ample provision for stalls at the monthly Farmers' Market and weekly North Street Market.
