

**GUILDFORD BOROUGH COUNCIL
COMMUNITY GOVERNANCE REVIEW 2019
PARISHES OF EAST HORSLEY AND EFFINGHAM
TERMS OF REFERENCE**

What is a Community Governance Review?

A Community Governance Review is a review of the whole or part of the Borough to consider one or more of the following:

- Creating, merging, altering or abolishing parishes;
- The naming of a parish and the style of a new parish (i.e. whether to call it a “village”, “community” or “neighbourhood” with the council similarly named as a “village council”, “community council” or “neighbourhood council”);
- The electoral arrangements for parishes (including council size, the number of councillors to be elected to the council, and parish warding), and
- Grouping parishes under a common parish council or de-grouping parishes.

The Borough Council is required to ensure that community governance within the area under review will be:

- reflective of the identities and interests of the community in that area; and
- is effective and convenient.

In doing so, the Community Governance Review is required to take into account:

- The impact of community governance arrangements on community cohesion; and
- The size, population and boundaries of a local community or parish.

The government has emphasised that recommendations made in Community Governance Reviews ought to bring about improved community engagement, more cohesive communities, better local democracy and result in more effective and convenient delivery of local services.

Why are we carrying out this Community Governance Review?

We have received a request from East Horsley Parish Council for a community governance review to alter the parish boundary between East Horsley and Effingham in the vicinity of Effingham Common, and increase the number of parish councillors to be elected to East Horsley Parish Council from nine to twelve.

The area under review is the area of the borough of Guildford comprising the parishes of East Horsley and Effingham.

The parish of East Horsley is located within the Clandon and Horsley ward of Guildford Borough Council. It is also located within the Horsleys Division of Surrey County Council and forms part of the Mole Valley Parliamentary Constituency.

The parish of Effingham is located within the Effingham ward of Guildford Borough Council. It is also located within the Horsleys Division of Surrey County Council and forms part of the Mole Valley Parliamentary Constituency.

What do parish councils do?

By way of information, a summary of the general powers and duties of parish councils is attached as **Annex 1**.

What are we consulting on?

We are consulting the public on the request from East Horsley Parish Council, which is

- 1. To alter the existing boundary between the parishes of East Horsley and Effingham in the area close to Effingham Common, as set out in the Map at Annex 2**

As the effect of 1. above, is also to alter the borough ward boundary between Clandon & Horsley ward and Effingham ward, the change can only be implemented if the Local Government Boundary Commission for England, on the recommendation of the borough council, approves the change.

- 2. To increase the number of parish councillors elected to East Horsley Parish Council from nine (9) to twelve (12).**

If approved, the change will come into effect on the date of the next scheduled parish council elections in May 2023.

Why has this request been made?

The Parish Council's reasons for moving the parish boundary are set out below:

- (a) To remove anomalies where the settlement has outgrown its historic boundaries and to establish new clearly-defined boundaries tied to firm ground features; and*
- (b) To support the identity and interests of the local community.*

The Parish Council's justification for the increase in the number of parish councillors is set out below:

- (c) To reduce the workload on individual councillors; and;*
- (d) To seek to improve diversity on the parish council.*

For the purposes of this review, we are also required by law to make recommendations on other related "electoral arrangements" in respect of East Horsley Parish Council and Effingham Parish Council, as follows:

- (1) the year in which ordinary elections of parish councillors are to be held;**
- (2) the division (or not) of the parishes into wards for the purpose of electing parish councillors;**

- (3) the number and boundaries of any such wards;**
- (4) the number of parish councillors to be elected for any such ward;**
- (5) the name of any such ward.**

In relation to (1) above, Guildford Borough Council proposes that no change be made to the year of ordinary elections, as they currently coincide with borough council elections and elections to other parish councils in the borough.

In relation to (2) to (5) above, the introduction of 'wards' would mean that each parish councillor would be elected by voters living within a particular area (or ward) within the parish, and they would represent those voters on the parish council. The Borough Council proposes that, irrespective of the outcome of this community governance review:

- (a) East Horsley parish should continue to be unwarded, i.e. no change be made. East Horsley Parish Council supports this proposal;*
- (b) Effingham parish should continue to be divided into two wards "North Ward" and "South Ward", i.e. no change be made. Effingham Parish Council supports this proposal.*

We would therefore like to know what YOU think of the proposals to:

- (a) Move the parish boundary between East Horsley and Effingham as shown on the Plan at Annex 2; and*
- (b) increase the number of parish councillors on East Horsley Parish Council from 9 to 12, and*
- (c) make no other changes to the electoral arrangements in respect of East Horsley Parish Council and Effingham Parish Council*
