Subject: RE: Local Council Tax Support Consultation 2021/22 [UNC]

Hi Daniel

Thank you for sending across the information. I have shared with various stakeholders within SCC, including our 151 officer, and the feedback is as follows:

Thank you for the opportunity to comment on GBC's proposals to revise its Local Council Tax Support scheme for 2021/22. SCC welcome GBC's intention to continue to provide financial support for the most vulnerable households and support the proposals.
