**Subject:** FW: Local Council Tax Support Scheme consultation 2021/22 changes [UNC]

Hi Daniel,

Hope you are well. Apologies for not replying sooner but Ian retired in March and I have taken over from him.

Thanks for sharing your consultation on the LCTS with us.

Like all preceptors we are concerned about the impact COVID is having on Council Tax collection and the tax base and then by extension on the Police Budget. Hence we are keen to ensure that Council Tax income is maintained in order to protect services.

However we also understand the impact that COVID is having on some residents and the difficulties that some of them face. With this in mind we are happy to support the changes as outlined in your paper.

Yours

Kelvin Menon
