

Guildford Borough Council

Community Board

Terms of Reference 2022

Scope

With reference to the corporate priorities within the Community theme of Council's Corporate Plan 2021-25:

- Tackling inequality in our communities
- Work with communities to support those in need
- Support the unemployed back into the workplace and facilitate opportunities for residents to enhance their skills
- Prevent homelessness and rough-sleeping in the borough

Objectives

- (1) To develop, promote and maintain a corporate approach within the Council to delivering the priorities.
- (2) To develop and oversee a work programme of activities and projects to contribute towards the priorities.
- (3) To develop a communications plan to promote the priorities, activities and achievements.
- (4) To monitor and oversee the use of relevant funding, including the award of grants.
- (5) To encourage and facilitate the engagement of communities, partners and local businesses in the delivery of the priorities.
- (6) To ensure that local councillors are engaged in projects and activities within their areas.
