Note 2	Accounting policies	
2.2 INCOME This standard list of account different or additional policy.	ting policies has been applied by the charity except for those ticked "No" or "N/a". Where a has been adopted then this is detailed in the box below.]
Recognition of income	These are included in the Statement of Financial Activities (SoFA) when:	1
	the charity becomes entitled to the resources; it is more likely than not that the trustees will receive the resources; and the monetary value can be measured with sufficient reliability.	Yes No N/a
Offsetting	There has been no offsetling of assets and liabilities, or income and expenses, unless required or permitted by the FRS 102SORP or FRS $102 $.	
Grants and donations	Grants and donations are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP).	Yes No N/a
	In the case of performance related grants, income must only be recognised to the	Yes No N/a
Legacies	extent that the chanty has provided the specified goods or services as entitlement to the grant only occurs when the performance related conditions are met (5.16 FRS 102 SORP). Legacies are included in the SOFA when receipt is probable, that is, when there has	Yes No N/a
	been grant of probate, the executors have established that there are sufficient assets in the estate and any conditions attached to the legacy are either within the control of the charity or have been met.	~
Government grants	The charity has not received government grants in the reporting period	Yes No N/a
Tax reclaims on donations and gifts	Gift Aid receivable is included in income when there is a valid declaration from the donor. Any Gift Aid amount recovered on a donation is considered to be part of that gift and is treated as an addition to the same fund as the initial donation unless the	Yes No N/a
Contractual income and	donor or the terms of the appeal have specified otherwise. This is only included in the SoFA once the charity has provided the related goods or	Yes No N/a
performance related grants	services or met the performance related conditions. Donaled goods are measured at fair value (the amount for which the asset could be	Yes No N/a
Donated goods	exchanged) unless impractical to do so. The cost of any stock of goods donated for distribution to beneficiaries is deemed to be	
	the fair value of those gifts at the time of their receipt and they are recognised on receipt. In the reporting period in which the stocks are distributed, they are recognised as an expense at the carrying amount of the stocks at distribution.	Yes No N/a
	Donated goods for resale are measured at fair value on initial recognition, which is the expected proceeds from sale less the expected costs of sale, and recognised in "Income from other trading activities" with the corresponding stock recognised in the	Yes No N/a
	income from other training activities with the corresponding stock recognised in the billiance sheet. On its sale the value of stock is charged against 'Income from other trading activities' and the proceeds from sale are also recognised as 'Income from other trading activities'.	
	Goods donated for on-going use by the charity are recognised as tangible fixed assets and included in the SoFA as incoming resources when receivable.	Yes No N/a
	and included in the SOFA as incoming resources when receivable. Gifts in kind for use by the charity are included in the SoFA as income from donations when receivable.	Yes No N/a
Donated services and	Donated services and facilities are included in the SOFA when received at the value of	Yes No N/a

Support costs	The value of any voluntary help received is not included in the accounts but is	Yes No N/a
Volunteer help	described in the trustees' annual report.	Yes No N/a
Income from interest, royalties and dividends	This is included in the accounts when receipt is probable and the amount receivable can be measured reliably.	Yes No N/a
Income from membership subscriptions	Membership subscriptions received in the nature of a gift are recognised in Donations and Legacies.	Yes No N/a
	Membership subscriptions which gives a member the right to buy services or other benefits are recognised as income earned from the provision of goods and services as income from charitable activities.	-
Settlement of insurance claims	Insurance claims are only included in the SoFA when the general income recognition criteria are met (5.10 to 5.12 FRS102 SORP) and are included as an item of other income in the SoFA.	Yes No N/a
Investment gains and losses	This includes any realised or unrealised gains or losses on the sale of investments and any gain or loss resulting from revaluing investments to market value at the end of the	Yes No N/a ✓
	year.	
2.3 EXPENDITURE		
Liability recognition	Liabilities are recognised where it is more likely than not that there is a legal or constructive obligation committing the charity to pay out resources and the amount of the obligation can be measured with reasonable certainty.	Yes No N/a
Governance and support costs	Support costs have been allocated between governance costs and other support. Governance costs comprise all costs involving public accountability of the charity and its compliance with regulation and good practice.	Yes No N/a
	Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, e.g. allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their	Yes No N/a
Grants with performance	usage. Where the charity gives a grant with conditions for its payment being a specific level of	Yes No N/a

Grants payable without performance conditions	where there are to consultant anatoming to the grant that enables the connectioning to recalistically avoid the commitment, a liability for the full funding obligation must be recognised.	les No No
Redundancy cost	The charity made no redundancy payments during the reporting period.	Yes No N/a ✓
Deferred income	No material item of deferred income has been included in the accounts.	Yes No N/a Yes No N/a
Creditors	The charity has creditors which are measured at settlement amounts less any trade discounts	res No N/a
Provisions for liabilities	A liability is measured on recognition at its historical cost and then subsequently measured at the best estimate of the amount required to settle the obligation at the reporting date	Yes No N/a
Basic financial instruments	The charity accounts for basic financial instruments on initial recognition as per paragraph 10.7 FRS102 SORP. Subsequent measurement is as per paragraphs 11.17 to 11.19, FRS102 SORP.	Yes No N/a
2.4 ASSETS		
Tangible fixed assets for use by charity	These are capitalised if they can be used for more than one year, and cost at least $£10,000$	
	They are valued at cost. The depreciation rates and methods used are disclosed in note 9.2.	Yes No N/a
Intangible fixed assets	The charity has intangible fixed assets, that is, non-monetary assets that do not have physical substance but are identifiable and are controlled by the charity through custody or legal rights. The amortisation rates and methods used are disclosed in	Yes No N/a
	They are valued at cost.	Yes No N/a
Heritage assets	The charity has heritage assets, that is, non-monetary assets with historic, artistic, scientific, technological, decohysical or environmental qualities that are held and	Yes No N/a
	maintained principally for their contribution to knowledge and culture. The depreciation rates and methods used as disclosed in note 9.6.1.4.	
Investments	They are valued at cost. Fixed asset investments in quoted shares, traded bonds and similar investments are	Yes No N/a
/esuirents	Fixed asset investments in quoted shares, traded bonds and similar investments are valued at initially at cost and subsequently at fair value (their market value) at the year end. The same treatment is applied to unlisted investments unless fair value cannot be measured reliably in which case it is measured at cost less impairment.	Yes No N/a
	oe measured reliadoy in which case it is measured at cost test impairment. Investments held for resale or pending their sale and cash and cash equivalents with a maturity date of less than 1 year are treated as current asset investments.	Yes No N/a ✓
Stocks and work in progress	Stocks held for sale as part of non-charitable trade are measured at the lower or cost or net realisable value.	Yes No N/a
	Goods or services provided as part of a charitable activity are measured at net realisable value based on the service potential provided by items of stock.	Yes No N/a
	Work in progress is valued at cost less any foreseeable loss that is likely to occur on the contract.	Yes No N/a
Debtors	Debtors (including trade debtors and loans receivable) are measured on initial recognition at settlement amount after any trade discounts or amount advanced by the charity. Subsequently, they are measured at the cash or other consideration expected to be received.	Yes No N/a
Current asset	The charity has has investments which it holds for resale or pending their sale and cash and cash equivalents with a maturity date less than one year. These include cash on deposit and	Yes No N/a
investments	cash equivalents with a maturity date of less than one year held for investment purposes rather than to meet short term cash commitments as they fall due.	
	They are valued at fair value except where they qualify as basic financial instruments.	Yes No N/a ✓
POLICIES ADOPTED ADDITIONAL TO OR	Accouting policy of revaluation is adopted for some tangible fixed assets (see note 14)
