## Appointment of Joint Monitoring Officer

### **Recommendation to Committee**

In July and August 2021, Guildford and Waverley Borough Councils both considered options for collaboration and agreed to put in place governance arrangements for the partnership, and to create a Joint Management Team (JMT) comprising Chief Executive, Directors and Heads of Service.

Most of the permanent Joint Executive Head of Service roles have been appointed, with the exception of the Executive Head of Planning Development and Executive Head of Legal and Democratic Services.

The Joint Appointments Committee (JAC), comprising three councillors from each council, will meet on 5 December to carry out the final interviews of short-listed candidates for the appointment of the Executive Head of Legal and Democratic Services, which includes the statutory post of Monitoring Officer. The JAC will make a recommendation in respect of the appointment for confirmation at both Councils' meetings at Guildford on 6 December and, at Waverley, on 13 December 2022 in accordance with the requirements of The Local Authorities (Standing Orders) (England) Regulations 2001 (as amended). Details of the JAC's recommendation will be included on the Order Paper for the meeting.

Any formal offer of appointment is subject to no material or well-founded objection being made by either of the two Council Leaders on behalf of their respective Executives in accordance with the provisions of Paragraph 5 of Part II of Schedule 1 to the Local Authorities (Standing Orders) (England) Regulations 2001.

### **Recommendation to Council:**

To consider, following its meeting on 5 December 2022, the recommendation of the Joint Appointments Committee in respect of the appointment of the Joint Monitoring Officer.

Reason for Recommendation:

To appoint a permanent Joint Executive Head of Legal and Democratic Services, including the duties of the Monitoring Officer for Guildford and Waverley Borough Councils.

  - (1) "Information relating to any individual".
- (b) The content is restricted to councillors.
- (c) It is not anticipated that the exempt information can be expected to be made available for public inspection.
- (d) The decision to maintain the exemption may be challenged by any person at the point at which the Council is invited to pass a resolution to exclude the public from the meeting to consider the exempt information.

## **1. Background**

- 1.1 The new JMT structure comprises of three Joint Strategic Directors and 12 Joint Executive Heads of Service. The statutory officers (Chief Finance Officer and Monitoring Officer) report to the Joint Strategic Director for Transformation and Governance for line management, and also have a direct accountability and reporting line to the Joint Chief Executive for their statutory responsibilities.

## **2. Strategic Priorities**

- 2.1 The Joint Executive Heads of Service will play a pivotal role in the delivery of Guildford and Waverley Borough Councils' aspirations set out in the respective Corporate Plan and Corporate Strategy. The appointment reflects the next step in both councils' strategic aim of exploring shared opportunities with other local authorities for the benefit of local residents.

## **3. The appointments process**

- 3.1 The Councils seek to recruit a Joint Executive Head of Legal and Democratic Services who will form part of the new JMT and also take on the statutory role of Monitoring Officer.
- 3.2 The Councils have engaged Penna executive recruitment consultants to assist in the process. During the week commencing 21 November, Penna conducted the technical and psychometric assessments of long-listed candidates and then recommended a short-list of candidates for final interview by the JAC on 5 December.

- 3.3 Following the final interviews, the JAC will meet with a view to making a recommendation in respect of the appointment for confirmation at both Councils' meetings at Guildford on 6 December and, at Waverley, on 13 December 2022 in accordance with the requirements of The Local Authorities (Standing Orders) (England) Regulations 2001 (as amended). Details of the JAC's recommendation will be included on the Order Paper for the meeting.

#### **4. Financial Implications**

- 4.1 This report concerns one of the Joint Executive Head of Service posts. The recruitment process for the full JMT is nearing completion. The overall target for each council of £150,000 in 2022-23 from the whole JMT is expected to be achieved once the restructure of the Head of Service level is complete. Once the restructure for the Head of Service level is complete, an analysis of the full savings between the general fund and the HRA for each council will be undertaken and reported.

#### **5. Human Resource Implications**

- 5.1 Following benchmarking with other council partnerships and external advice, the spot salary for the new Joint Executive Head of Legal & Democratic Services is £90,000 with an annual allowance of 5% of salary to account for the additional duties of being a statutory officer. The salary and allowance for 2022-23 will therefore be £94,500. This will be shared between the councils. From this salary, the employee will pay tax, NI and pension contributions.
- 5.2 The partnership working arrangement between the two Councils has required the creation of a Joint Management Team through the restructuring of both Councils. Both Councils have fully consulted with Unison and the affected staff and responded to the feedback with measures including making changes to the proposed structure. Each Council has followed their respective policies and processes in relation to Redundancy, Restructuring, Pay and Early Termination of Employment (Discretionary Payments).

#### **6. Legal Implications**

- 6.1 The proposals in this report are compliant with the Council's Constitution and statute.

#### **7. Equality and Diversity Implications**

- 7.1 All public authorities are required by the Equality Act 2010 to specifically consider the likely impact of their policy, procedure or practice on certain groups in society.

7.2 It is our responsibility to ensure that our policies, procedures and service delivery do not discriminate, including indirectly, on any sector of society. Council policies, procedures and service delivery may have differential impacts on certain groups with protected characteristics, and these will be highlighted in the Equalities Impact Assessment (EqIA) screening and mitigations identified if necessary.

7.3 An EqIA screening was carried out for the JMT restructuring activity. As a result of assessment at this point, it is concluded that the restructuring activity will not have a negative impact on those with protected characteristics, neither does it reflect the potential for discrimination. It is considered that the Council is acting in accordance with the public sector equality duty contained in section 149 of the Equality Act 2010.

## **8. Risk management Implications**

8.1 The Collaboration Risk Assessment was approved by both Councils at their April 2022 meetings. It was also resolved to establish a Joint Governance Committee which will have responsibility for monitoring the risk register periodically.

## **9. Climate emergency declaration**

9.1 The climate emergency declaration and the urgent target for net zero carbon by 2030 is a critical objective for both councils. While no specific impacts on the climate emergency declaration have been identified as a consequence of this report's recommendations, the Council will be assessing and prioritising the environmental, climate and carbon impacts of any proposals that emerge.

## **10. Options**

10.1 The proposal seeks to gain Council agreement to appoint to the Joint Executive Head of Legal and Democratic Services, which includes the statutory duties of the Monitoring Officer.

10.2 If these proposals were not agreed, the Council would expose itself to legal and contractual risks.
