## Guildford Borough Council and Waverley Borough Council Partnership Vision

Guildford and Waverley Borough Councils have agreed to create a robust partnership to provide more sustainable services for local residents, based on these five principles:

- 1. The two councils will continue to be accountable to their own residents.**
- 2. The partnership will help protect and enhance priority services in the face of the critical local government funding challenge.**
- 3. The partners will seek to do more together than they could separately to respond to the climate emergency.**
- 4. The councils will harmonise internal processes and external service delivery except when there is a good reason not to.**
- 5. This partnership will form a stable basis for any future collaborative discussions.**
