## Appointment of Committees: 2017-18

### Recommendation to Council:

- (1) That, for the municipal year 2017-18, the Council agrees to appoint the committees referred to in the table set out in paragraph 3.1 of this report, and agrees their respective size referred to therein and the proposed terms of reference, as indicated in Appendix 1 to this report.
- (2) That the Licensing Committee shall be politically balanced.
- (3) That the following Sub-Committees need not be politically balanced:
  - Licensing Sub-Committee
  - Licensing Regulatory Sub-Committee

(NB. In paragraph (3) above, the relaxation of the requirement for political balance applying to the sub-committees may only be implemented if there are no votes cast against the motion to adopt this paragraph of the recommendation)

- (4) That the numerical allocation of seats on committees to each political group on the Council, as shown in Appendix 2 to this report, be approved.
- (5) That the nominations for membership and (where applicable) substitute membership of the committees, including the Guildford Local Committee, for the 2017-18 municipal year, as shown on a schedule to be submitted to the Council, be approved in accordance with the wishes of the political groups.
- (6) That the nominations for election of chairmen and vice-chairmen of committees (including Executive Advisory Boards) and relevant sub-committees for the 2017-18 municipal year, as shown on a schedule to be submitted to the Council, be adopted.
- (7) That, subject to confirmation from Surrey County Council, the Council nominates an appropriate lead councillor to be Vice-Chairman of the Guildford Local

Committee for the 2017-18 municipal year.

(8) That the Council appoints councillor Champions for 2017-18 as follows:

- Armed Forces Champion
- Historic Environment and Design Champion
- Older Persons Champion

Reasons for Recommendation:

- To comply with Council Procedure Rules 23 and 29 of the Constitution in respect of the appointment of committees and election of chairmen and vice-chairmen
- To enable the Council to comply with its obligations under the Local Government and Housing Act 1989 in respect of the political proportionality on its committees.

**1. Purpose of report**

1.1 The Council is asked to appoint a number of committees to discharge various non-executive functions and to agree their respective size, terms of reference, and numerical allocation of seats to political groups. The Council is also asked:

- (a) to appoint councillors to those committees in accordance with the statutory requirements for political balance,
- (b) to elect committee and sub-committee chairmen and vice-chairmen, as appropriate; and
- (c) to agree various other appointments.

**2. Background**

2.1 Council Procedure Rule 23 (a) requires the Council, at its Selection meeting each year, to appoint such committees as it shall determine and to agree their respective size and terms of reference.

2.2 Except in relation to the Licensing Committee and its sub-committees where the Council has absolute discretion as to whether they are politically balanced, the membership of each of the Council's committees and sub-committees shall be in accordance with statutory requirements for political balance. As far as possible, the number of seats allocated to a political group on committees and sub-committees will reflect the size of that group in proportion to the total Council membership.

2.3 The Council is required to review the allocation of seats on committees to political groups at its Selection meeting and as soon as reasonably practicable following any change in the political constitution of the Council or as otherwise required by statute. Wherever such a review is required, the Democratic Services Manager will submit a report to the Council showing what allocation of seats would best meet the requirements for political balance.

**3. Appointment of Committees**

3.1 Under Council Procedure Rule 23 (g), the Council is invited to appoint the following committees in the manner specified in the table below:

Committee	No. of voting members of Committee	No. of substitute members of Committee	No. of co-opted (non-voting) members
Borough, Economy and Infrastructure Executive Advisory Board	12 councillors	Up to 7 councillors per political group	None
Corporate Governance and Standards Committee	7 councillors <sup>1</sup>	Up to 3 councillors per political group	3 independent members and 3 parish members
Employment Committee	3 councillors <sup>2</sup>	Up to 4 councillors per political group	None
Licensing Committee	15 councillors	None	None
Overview and Scrutiny Committee	12 councillors	Unlimited	None
Planning Committee	15 councillors	Up to 5 councillors per political group	None
Society, Environment & Council Development Executive Advisory Board	12 councillors	Up to 7 councillors per political group	None

- 3.2 Where applicable, the committees will appoint their respective sub-committees. The Council is also invited to consider and approve the terms of reference of these committees for 2017-18, details of which are set out in **Appendix 1** to this report. The only change proposed relates to the addition of the following to the terms of reference of the Employment Committee:

*“To conduct a hearing into any unresolved grievance brought by the Managing Director”.*

- 3.3 The Council will recall that, in relation to the Guildford Local Committee, Surrey County Council (SCC) has previously offered, in the spirit of partnership working, to appoint the Leader of the Council, Deputy Leader or the Lead Councillor with Infrastructure and Environment portfolio responsibilities as Vice-Chairman of that Committee. In 2016-17, the Council accepted SCC’s offer and nominated the Lead Councillor for Infrastructure and Governance as Vice-Chairman. Following the County Council elections, clarification will be sought as to whether this arrangement will continue for 2017-18 and, if so, the Council will be asked to nominate an appropriate lead councillor to be Vice-Chairman of the Guildford Local Committee.

#### **4. Requirement for political balance and numerical allocation of seats on committees**

- 4.1 Section 15 of the Local Government and Housing Act 1989 ("the 1989 Act") sets out how committees must be constituted when the Council is divided into one or more

<sup>1</sup> who may include one member of the Executive except the lead councillor whose portfolio includes finance and resources. Neither the Leader nor Deputy Leader may be a member or substitute member of this Committee

<sup>2</sup> including at least one member of the Executive

political groups. The Council must give effect, as far as reasonably practicable, to the following four principles in constituting its committees or sub-committees:

- where there is more than one political group, all the seats must not be allocated to the same political group
- the majority of seats must be allocated to the political group with the majority on the Council
- the number of seats on each individual Committee or sub-committee of the Council allocated to each political group bears the same proportion on the full Council.
- the number of seats on the total of all the Committees or sub-committees allocated to each political group should bear the same proportion to the proportions on the full Council

4.2 Details of the numerical allocation of seats on the committees to the political groups are shown in **Appendix 2** to this report. Details of each group's nominations to fill those seats (and substitutes where appropriate) will be included on the Order Paper circulated to all councillors prior to the Council meeting.

4.3 Whenever, during the course of the year, an appointment of a member or substitute member of a committee or sub-committee falls to be made in accordance with the wishes of a political group to whom the seat has been allocated or whenever such an appointment falls to be terminated in accordance with such wishes, the Managing Director shall make or terminate such appointments in accordance with the wishes of that political group. The wishes of a political group are taken to be those expressed to the Managing Director in writing by (a) the leader of the political group or (b) in a statement to the Managing Director supported in writing by a majority of the members of that group. In the event that different wishes of a political group are notified in accordance with (a) and (b) above, the wishes notified in accordance with (b) shall prevail. No member of a committee shall be appointed so as to hold office later than the next annual meeting of the Council.

4.4 The Council is also asked to agree that although political balance requirements should apply to the Licensing Committee, such requirements need not apply in respect of the Licensing Sub-Committee and Licensing Regulatory Sub-Committee, given that each Sub-Committee comprises just three councillors. Given the quasi-judicial nature of the sub-committees and the requirement to convene hearings before the sub-committees often at short notice, the Council has previously taken the view that political balance should not apply. However, the relaxation of the requirement for political balance applying to the two sub-committees may only be implemented if there are no votes cast against the motion to adopt this principle.

## **5. Election of chairmen and vice-chairmen of committees and sub-committees**

5.1 At the Selection Meeting each year, and following the appointment of committees, Council Procedure Rule 29 now requires the Council to elect the chairmen and vice-chairmen of all committees, including the executive advisory boards, and any sub-committees of those committees for the ensuing municipal year. Nominations for election of committee and sub-committee chairmen and vice-chairmen shall be submitted to the Democratic Services Manager in advance of the Selection Meeting at the same time as nominations are submitted for appointments to committees.

5.2 Details of nominations received in respect of the election of committee and sub-committee chairmen and vice-chairmen will also be set out in the Order Paper

## **6. Councillor Champions**

### Armed Forces Champion

- 6.1 Borough and district councils across Surrey have been invited to appoint a member of the Executive, or Chairman of an appropriate Scrutiny Committee, or a Member with an interest in the Armed Forces community, as the Council's Armed Forces Champion. The role involves raising the profile and needs of the Armed Forces community (serving personnel, both regular and reserve, their families and veterans), within the Council and the Borough. Close liaison with the Council's Armed Forces Covenant Officer, with particular reference to the Council's obligations undertaken through the Armed Forces Covenant and the Community Covenant, will be essential. The Armed Forces Champion for 2016-17 was Councillor David Elms.

The Council is invited to appoint an Armed Forces Champion for 2017-18.

### Historic Environment and Design Champion

- 6.2 Since 2004, the Council has appointed an Historic Environment and Design Champion whose role has been to promote and support best practice in the built and historic environment by ensuring that the Council provides a vision for how the quality of the built environment will improve. This will require an overview of the host of responsibilities the Council has, for example via planning, conservation, procurement of new buildings and the management of streets and green spaces. The Historic Environment and Design Champion for 2016-17 was Councillor Paul Spooner.

The Council is invited to appoint an Historic Environment & Design Champion for 2017-18.

### Older Persons' Champion

- 6.3 When the Executive adopted the Later Life Strategy in October 2010, the appointment of an independent Older Persons' Champion was approved in principle and it was agreed that future appointments should be made annually by the Council at its Selection meeting. The Champion's role is to promote services for older people within the Borough. The role requires a willingness to challenge existing structures and cultures; and an ability to work across organisational boundaries and motivate key partners. The Older Persons' Champion for 2016-17 was Councillor Sheila Kirkland.

The Council is invited to appoint an Older Persons' Champion for 2017-18.

## **7. Legal implications**

- 7.1 As the Council's membership is divided into political groups, it is required by sections 15 and 16 of the Local Government and Housing Act 1989 and related regulations, to ensure that appointments to fill seats on committees are allocated in the same proportion as that in which the Council as a whole is divided. There is also a duty to review annually the allocation of seats on committees to political groups or following any change in the political constitution of the Council.
- 7.2 The Council has wide powers in the Local Government Act 1972 to appoint committees and delegate (non-executive) functions to them. As the Council operates executive arrangements, it is required under the Local Government Act 2000, to establish at least one overview and scrutiny committee

To be aligned to themes in the ~~new~~ Corporate Plan]

**Protocol for their operation:**

- (1) EABS are advisory in nature and do not have any substantive decision-making powers delegated to them. EABS are to act as a source of advice to the Executive.
- (2) EABS will enable greater involvement and engagement of councillors and the public in significant Executive decisions.
- (3) EABS will advise the Executive at an early stage about the formulation and development of policies and projects that will help deliver Corporate Plan priorities. The EABS are intended to enable backbench councillors to be more closely involved with issues of greatest importance to the Council.
- (4) The chairmen and vice-chairmen of the EABS will meet regularly to identify priorities and prepare draft work programmes for consideration and approval by the EABS and, as part of this process, will take into account the forthcoming key or significant Executive decisions set out in the Forward Plan. Subject to paragraph (5) below, those matters identified in the agreed work programmes will be considered by the EABS in detail.
- (5) When considering an Executive decision, the EABS will aim to do so at a time when it is still open to influence, that is to say, when there is an expectation that a recommendation or suggestion for improvement could realistically lead to change. EAB agendas will list all forthcoming key or significant Executive decisions set out in the Forward Plan, except those that are urgent.

- (6) EABs will determine their final recommendations to the Executive by consensus if at all possible.
- (7) The advice of EABs to the Executive, including explanation for any recommendations, will be contained within a report considered by the Executive. The justification for not accepting advice from an EAB is to be made clear in the options considered by the Executive.
- (8) Membership of both an EAB and the Overview and Scrutiny Committee does not inevitably create a conflict of interest. As a rule, councillors should not be involved in scrutinising a decision in which they have been involved directly; yet, EABs are advisory and it remains the responsibility of the Executive to formally take and implement the decision.
