- 1.0 AVAILABILITY OF RESOURCES NOTES:
- 1.1 The following balances have been calculated taking account of estimated expenditure on the approved capital schemes
- 1.2 The actuals for 2016-17 have not been audited.
- 1.3 Funding assumptions:
  - 1. All capital expenditure will be funded in the first instance from available capital receipts and the General Fund capital programme reserve.
  - 2. Once the above resources have been exhausted in any given year, the balance of expenditure will be financed from borrowing, both internally and externally, depending upon the Council's financial situation at the time.
- 1.4 These projections are based on estimated project costs, some of which will be 'firmed up' in due course. Any variations to the estimates and the phasing of expenditure will affect year on year funding projections.
