Any such conditions would be delegated to the Joint Director of Planning and agreed in consultation with the Chairperson of the Planning Committee. Lastly, the Joint Director of Planning would request that Surrey County Council considered reducing the speed limit along Ash Green Road to 20mph.

with the following corrected text:

RESOLVED to delegate authority to the Joint Executive Head of Planning, in consultation with the Chairperson, to approve application 21/P/01211 subject to any amendments to the conditions to reflect the additional information that had been put before the Committee.

1. Correction: the statement in the Executive Summary - ‘it proposes the **removal** of land from the Green Belt’ - is incorrect. The Site remains in the designated Green Belt but is attributed a form of development that is considered not inappropriate in the Green Belt, as set out in NPPF paragraph 149(b).
2. It is noted that the Waverley Borough Council application (Ref. WA/2022/02194) was consented by their Planning Committee 23 August subject to the resolution of a s106 Agreement (Delegated authority; and, *‘that, in the event that the legal agreement required under recommendation*

A is not forthcoming within 6-months of the committee resolution, permission be REFUSED’).

3. There remain on-going discussions with the Applicant regarding the Conditions and a joint four-party s106 Agreement (Waverley Borough Council, SCC Highways, the Applicant, and Guildford Borough Council) to encompass the three related cross-boundary planning applications.
4. For clarification as requested by the Applicant, where the Conditions attached to this application refer to ‘the site’ and/or ‘the development’ this is as defined in the Officer Report – Key information paragraph a).
