Appendix 2 – Customer and Digital Improvement Plan January 2022 - Present

Area	Goal	What's happened so far	Outcomes to date
Engage and Collaborate	Embed a "think customer" approach to everything we do working as one organisation to support our customers at every stage	 Service leader Customer strategy session took place Cross service collaboration continues with staff "on loan" from specialist areas to work on improving customer journeys New starter training has included onsite visits to understand the full customer journey Customer insight user testing is underway at Guildford Library and Online Customer Service staff attending Housing tenant forums to share updates and gather feedback – articles now being included in tenants' newsletters to promote areas such as MyGuildford 	 400 people took part in the customer insight testing of the website Collaborative working has led to improvements to the online reporting form for customers for waste and recycling
Digital First	Embrace and embed digital options wherever possible to improve efficiencies	 Ongoing improvements to the Salesforce platform to make processes more efficient Search term improvement project has begun to get customers to the right place first time and remove ineffective searches Voice search on the website has been soft launched (in May) Customer touch point identification work has been scoped to check 	 There were 268,488 visits to the website (131,936 were unique visits)* - an increase of 36,000 visits compared to the previous period 3.9% increase on click through rates from the search up to 59.8% - this is customers who got to the

		consistency, improve messaging and sign posting for customers Customer online journey refinement work has started focusing on waste and recycling first Areas of high level contact are being checked to ensure the right information is available online	information they were looking for from the search. • 1% of searches between May – July have been via voice search • There was an increase of 10,885 search completions on "find your bin day" compared with the previous period, with 15,772 searches completed between Jan- Jul • 3,161 missed bins were reported online, an increase of over 50% compared to the previous period • 156 completed views of videos linked to booking an MOT *this does not include visits from Guildford Borough Council staff as these are removed
Policies and Strategies	Have clear, up to date policies and strategies that drive our customer service vision	 The complaints policy has been reviewed and refreshed to ensure it is fit for purpose and inline with the requirements of the housing and local government ombudsman's Work has started to review the customer engagement strategy and associated policies 	Updated complaints policy has been published on the website

Improving our Service	Ensure our service is being effectively measured and continuously improving	Please see Appendix 1	Please see Appendix 1
Working with Councillors	Working in collaboration with councillors to support residents with their enquiries	 The first digital newsletter for councillors has been circulated Monthly meetings take place with the lead councillor and other updates circulated as appropriate The first councillor signposting guide for waste and recycling has been circulated to all councillors A central point of contact for councillor customer service enquires has been setup to help ensure queries are responded to and directed to the best areas first time
